# Help cover costs and ease financial worries

## Critical Illness Insurance

Medical advancements are improving the fight against critical illnesses like cancer, stroke or heart attack, but bills can follow survivors long after.<sup>1</sup> **Medical debt is the number one source of personal bankruptcy filings in the U.S., it contributed to 66 percent of all bankruptcies.**<sup>2</sup>

A critical illness policy can help alleviate financial worries by paying a lump-sum benefit when you're first diagnosed with a covered illness or medical condition. Because you're paid directly, there are no limits on how you spend the money — pay medical expenses or everyday expenses.

### Freedom to use the money how it helps you most

- Deductibles and copays
- Prescriptions and medical treatments
- Providers or treatments not covered by your health plan
- Mortgage and childcare
- Replace a spouse's income while they're by your side
- Travel for care for treatment

### How it Works

**1 Buy a critical illness policy**  
Benefit amounts can range from \$5,000 to \$75,000.

**2 Submit a claim**  
You are protected if you're diagnosed with a first-ever covered illness or condition.

**3 Get paid**  
Assurity pays a lump-sum benefit directly to you.
