

Sales Idea - Life Protect⁺ for Small Business

Bundled coverage for life, illness and income

Client Scenario and Concerns

Sarah, age 40, is married with two children aged 10 and 8. She's in the prime of her career, supporting her family and drawing a \$100,000 salary from the accounting firm she opened two years ago.

Sarah's firm employs a full-time assistant, and she has \$50,000 remaining on a small business loan. She's proud of her business's success but worries about something happening to her – the small life insurance policy she currently has wouldn't be enough to make ends meet. She wants to make sure she can still support her family and draw an income, as well as continue to pay her assistant and make payments on her loan.

Solution

Sarah speaks to her local insurance professional and is thrilled to learn about the value she can get with the Life Protect⁺. By combining life insurance with illness and income protection, she can secure comprehensive protection for her family and business if she dies or becomes unable to work due to sickness or injury. **She takes out \$1 million in 20-year term life insurance**, and adds **optional coverage for critical illness and disability income**. Even better, she qualifies for **accelerated underwriting with instant approval** and has her policy within days.
