How much life insurance do you need?

Living benefits to maximize protection

- Accelerated Death Benefit Rider**
Included with your coverage, this rider gives you the option to access a portion of your death benefit if you're diagnosed with a chronic or terminal illness. You can use this money to cover necessary expenses and ease the burden on your loved ones.⁴
- Critical Illness Rider**
Pays a lump-sum benefit if you're diagnosed with cancer, a stroke or other covered illness or condition.⁵

Additional coverage

- Level Term Rider**
Provides level-premium, level-benefit term life insurance to the insured for 10, 20 or 30 years.
- Accidental Death Benefit Rider**
Pays a benefit equal to the base policy face amount if the insured person dies as a direct result of an accidental bodily injury.⁶

Assurity Whole Life Insurance provides coverage you can count on—now and in the future. Your loved ones will have the financial security they need to continue the life you've built.

1. A dividend withdrawal or policy loan will reduce your death benefit amount by an equal amount. A minimum amount must be retained to keep the policy in force. Withdrawals are subject to a fee. Assurity charges interest for policy loans, but also credits interest on any portion of the amount that is loaned. Under current tax law, policy loans are not subject to income tax.
2. Dividends are not guaranteed and are determined by Assurity's experience relative to assumed mortality, investment performance and expenses.
3. Issue ages for 10-pay, 20-pay and pay for life: 15 days through 85 years; Issue ages for pay to age 65: 15 days through 54 years
4. Accelerated Death Benefit Rider is included in states where allowed. The chronic illness benefit is included through issue age 75.
5. Pays a lump-sum benefit when the insured person is diagnosed with an illness or undergoes a procedure from a list specified in the rider. The amount payable is the percentage for each critical illness multiplied by the selected benefit amount. Issue ages 18-70.
6. Within 180 days of the accidental injury prior to their 70th birthday and independently of all other causes. Coverage ends after the 10-year or 20-year term. Coverage and premiums are annually renewable to age 95 after the 30-year term.
