Living Benefits

with Assurity Whole Life Insurance

When most of us buy life insurance, we aren't thinking of ourselves – we're thinking of those we love so they can stay financially secure after we die.

If a serious illness affects you, however, you may need that financial security while you're still alive. Your Assurity Whole Life Insurance policy comes with living benefits that can help you meet that need – and give you and your loved ones added comfort and peace of mind.

How does it work?

After being diagnosed with a chronic or terminal illness, you may choose to receive a portion of your benefit.¹ The remaining amount will still be available to your loved ones after your death.²

Use it to help pay for:

Hospital bills

Medications or
experimental
treatment

Hospice

Assisted living
or home care

Gain peace of mind in knowing you'll have extra funds in difficult times. Contact an insurance professional to learn more about Assurity Whole Life Insurance.
