Accident Insurance Email – Supplement your healthcare

Subject Line:

Beat healthcare bills with accident insurance

Body Copy:

Hi [CLIENT NAME],

If your health insurance costs are too high, you're not alone – and you're also not alone if you worry about meeting sudden medical bills. Accident insurance can help.

If you or a loved one suffers an accidental injury, it pays you money directly so you have cash to help with whatever you need. Use the cash to pay your health costs, take time to recover, or anything else you need. The application is fast and easy with no medical exams or tests – check it out, and if you like what you see, you can get coverage in minutes.
